

**YOUR EVALUATION OF THE  
TEXAS CHRISTIAN ASHRAM**

The Ashram is organized (structured) daily into short periods and we would like for you to give us an evaluation of what you felt about them. Some may only ask for a 'yes or no' answer; but, if you feel you have more to offer than a simple 'yes or no', please feel free to do so. If there was more than one person in your family that attended the Ashram we wish each person that is able would submit an evaluation. You do not need to sign or in any way let us know who submitted each evaluation unless you feel you would like to contribute more by having someone contact you.

We sincerely thank you for your prayerful answers in helping us continue the Ashram as "the Kingdom of God in miniature".
